- Currently **1** Resident **positive** for COVID19

- Currently **2** staff members **positive** for COVID19
 - You will be notified by phone if your loved one is positive for COVID19.

 - We will do weekly testing on all residents until we have no new positive cases for two weeks.
 - We will continue with twice per week testing for all staff members for two weeks until we have no new positives and then we will go back to our mandated testing based on county positivity.

- Visitations:
 - Outside courtyard and window visits will continue.
 - Indoor visitations will be postponed until we are out of our outbreak situation with two weeks of all negative tests.

Thank you for all your support and understanding
